II. Clarification

Query	Response
xxx please note there was incorrect spelling of our product description all throughout the Bidding Documents. "FLAVODOX" was incorrectly written as FLAVORODOX. Correct product description is BUTTER FLAVODOX B339.15.	SPMC is using a detailed system and the subject of procurement is titled as FLAVORODOX B33915. This notwithstanding, the generic term is Butter Flavor and as long as the prospective bidder complies with the required specifications, difference in title is of no concern.

All other portions of the Bidding Documents affected by these amendments shall be made to conform to the same.

Amendments/inclusions/clarifications made herein shall be made integral part of the Bidding Documents.

For information and guidance of all concerned.
